

## SeaAir Europe Crew Nomex III

Reference#

### SeaAir Europe Crew Nomex III

En innovativ helikopterpilot / mannskapsdrakt med tre ulike alternativer for frontlukning og halstetning. Myke og svært elastiske hals- og mansjettlukninger i neopren kombinerer komfort og vanntetthet. Drakten er ETSO 2C503 godkjent som 4-timers drakt. I kombinasjon med vesten Sealion Europe Crew har man et komplett sikkerhetssystem for piloter og mannskap som flyr offshore. Drakten har mange praktiske detaljer som avtagbare lommer på lår for notisbok, kart, iPad Mini, hette i benlomme, hansker i ermelommer m.m. SeaAir Europe Crew Suit består av et ytre skall i pustende tre lags materiale og et termisk zip-in flammehemmende fôr.

Godkjent helikopter flight suit, for mannskap og piloter. Drakten er designet for å fungere sammen med Sealion Europe Crew redningsvest. De to produktene danner et komplett sikkerhetssystem for helikoptermannskap og piloter som opererer offshore. Redningsvesten har et moderne design, er smal og lett å bære med kategori A komprimert luft (EBS) i en justérbar lomme bak på vesten.

#### Facts

- The suit consists of an outer shell and a thermal zip-in lining in highly flame retardant fabrics
- Soft and highly elastic neoprene neck and cuff closures combining comfort and water tightness
- Option of an innovative adjustable neck seal. Offers the user comfort and ventilation in transit periods without doffing the suit. 100% waterproof seal is achieved with a simple maneuver
- Waist adjustment with velcro/elastics to secure individual fit
- GoreTex Nomex III – fire resistance and breathability
- Available in versions with:- vertical main zip in neck seal- diagonal main zip w/separate neck seal- J-shaped main zip w/separate neck seal
- Main waterproof zip in soft PU (Tizip Masterseal)
- In addition to standard sizing XXS – XXL, the suit can be custom made to actual body measurements
- Unique Y-construction for ease of movement
- Strategically placed cargo pockets on calf and sleeves with room for hood, gloves and personal belongings
- Integrated socks for own choice of footwear
- Waist adjustment with velcro and elastics to secure individual fit
- Reinforced knee areas with easy placement and adjustment of knee pads
- Integrated and detachable suspenders inside for ease of use in transit periods
