

Comfort mattress with hygiene covers.

Reference# 34110-05540200

Comfort mattresses with hygiene covers.

The mattress is made to measure.

Well suited for use in the health sector, institutions and prisons.

The mattress is made of two types of foam. Plain foam at the bottom, and Celsius foam at the top. Celsius foam adapts to your normal sleeping position, is pressure relieving and position corrective.

NB! The mattress can also be supplied in a simpler version with 10 cm ordinary foam.
