

ErgoFit 290N OC Rescue Crew ISO - RS

Reference# 83419

ErgoFit 290N OC Rescue Crew ISO - RS

Crewsaver's ultimate lifejacket collection, ErgoFit, was launched in 2012 and has subsequently come to completely redefine safety, comfort and style afloat. The entire ErgoFit collection features an exceptionally high level of construction combined with the looks and practicality to suit the toughest marine environment and the most demanding consumer. Representing over 5 decades of experience gained at the wave face, each lifejacket in the range houses a uniquely crafted bladder to both deliver a faster turn speed and also to keep your airway lifted further above the water for ultimate safety.

ErgoFit 290N OC Rescue Crew ISO - RS itself is a 3D-moulded lifejacket designed for those working in the most ferocious and extreme marine environments., further developed with important features for NSSR (RS) Crew. With nowhere to hide when a storm rolls in, it is vital to have the best safety kit on the market. The ErgoFit 290N OC is just that. It combines all Crewsaver's knowledge and experience with the most sophisticated design, manufacture and materials to give you an easy to wear, versatile, stylish and completely functional lifejacket. With its intelligent cut-away profile, it allows you total mobility, leaving your body, limbs and hands unhindered and free to move, work and perform. In short, it delivers the reassurance of a professional jacket, coupled with outstanding value for money.

Facts

- ISO 12402-2 (275N) approved but with superior buoyancy (290N) to float you higher in the water
- A built in inflatable chin support tilts your neck back and keeps your airways clear
