

SeaLion SOLAS 150N V

Reference# 82944-05990STD

SeaLion SOLAS 150N

Our collection of SeaLion Solas lifejackets is designed for users with high demands on function and comfort. This lifejacket is compatible with our immersion suits. Fully inflated this lifejacket provides 150N buoyancy and is certified in accordance with SOLAS' LSA Code. The lifejackets is designed to inflate automatically when in contact with water and provides a self-turning capability and stability which helps the wearer a safe face up position in the water.

Facts
