

Crewfit 275N XD Fish Farm Hammar Auto

Reference# 83272

Crewfit 275N XD Fish Farm Hammar Auto

An automatic inflatable lifejacket designed in conjunction with leading fish farm operatives, the bespoke Crewfit 275N XD lifejacket is modified specifically for fish farm use. This ISO approved lifejacket includes all the same high specification features as the standard Crewfit 275N XD - but with the enhanced option to include attachment points to accommodate an easy access radio and quick release knife. Important additions for those operating remotely in a fish farm environment.

The Crewfit 275N XD range offers the ultimate in advanced comfort and performance technologies to date. The modular design creates a comprehensive catalogue including a choice of covers, inflation and harness options. Fusion 3D technology provides complete freedom of movement and ensures the lifejacket remains comfortable even during long periods of use, whilst the unique design with built-in twin waist adjusters allows for easy donning. The wipe-clean cover helps to ensure increased longevity when used continuously in the harshest of working environments, whilst the fabric shoulder panels retain a comfortable fit.

The 275N bladder outperforms approval and offers 290N worth of buoyancy. The unique buoyancy distribution provides exceptional turning solutions even when wearing heavy clothing. The bladder is highly visible on inflation and hosts an impressive array of features including built-in chin support, location beacon attachment points and dual lifting becketts.

Facts

- The modular, heavy-duty wipe clean 500D outer cover is ideal for busy fish farm environments
- Available with fixture points designed to accommodate easy access radio and a quick release knife
- CO2-cylindrer glued into firing mech inside bladder
- The ergonomic design moulds to the shape of your body for maximum comfort
- Intuitive twin waist adjusters to ensure a correct fit
- Supplied with dual crotch stops and dual lifting becket
- Indicator window fitted with a protective panel to prevent damage
- Unique buoyancy distribution helps turn you quickly when in the water
- Hammar hydrostatic inflation mech ensures safe inflation when needed

Product Detail

Lifejacket	<i>Lifejacket work</i>
Type of PFD/class	<i>Inflatable lifejacket 275N</i>
Area of application	<i>Shipping</i>
Buoyancy	<i>Minimum 290N</i>
Adjustments	<i>Crotch Strap Waist - both sides</i>
Fit / Ergonomics	<i>Ergonomic Fusion 3D Design</i>
Colour	<i>Yellow</i>
Reflective material	<i>IMO Solas</i>
Bladder construction	<i>Symmetrical with chin support</i>
Firing mechanism	<i>Hydrostatic sensor, Hammar</i>
Lifting becket/loop	<i>Yes. double</i>
Whistle	<i>Yes</i>
Inspection facility for inflation mechanism	<i>Yes, inspection window in transparent foil</i>
Buckle	<i>Plastic buckle with quick release functionality</i>
Cover closure	<i>Zipper with Quick Burst functionality</i>
Compatibility	<i>Yes, ISO with ISO suit</i>
CO₂-cylinder(s)	<i>60g CO₂ (1 pc)</i>
Service interval (standard)	<i>5 Year</i>
Certifications ISO	<i>ISO 12402-2 Lifejackets for extreme offshore conditions (275N)</i>
Crotch strap	<i>Double</i>

Certificates
